“TRY-OUT” PEAK COACHES

The clinic is an open invitation to all volleyball players to receive information about Peak, visit with coaches, and participate in a 2 hour practice session. After the practice session, players will have the opportunity to ask questions of Peak's coaches.

This is a great opportunity for players to see how our coaches conduct drills, practices and work with players/teams. This is your chance to “tryout” our club.

Space in the practice session is limited so register early. There is a limit to the number of players allowed on the court for the practice session. However, there is no limit to the number of players/parents who can come, meet coaches, and watch the clinic.

The \$35 fee is only for those participating in the clinic. Meet-n-greet and question/answer sessions are free and open to all.
