

***Dear Broncho Volleyball Family and Supporters,***

As the leader of Broncho Volleyball, I'm excited to invite you to the 2017 UCO Volleyball Golf Fundraiser at Silverhorn Golf Club in Oklahoma City. This will be our 3<sup>rd</sup> Annual golf fundraiser and I'd like to thank all of you who have supported our program in years past. Your continued support allows us to compete at the Regional and National level. For the second straight season we reached the 30 win mark, were consistently ranked on the top 25 National poll, and made it as high as seventh in the country. Our volleyball team couldn't have accomplished this without your support. Our returning players, which includes our captain and sophomore All-American Taylor Bevis and a total of four All-Conference players, provide excellent leadership and experience. Our program has traditionally recruited from our local volleyball clubs and high schools and 2017 is no different. We will miss our seniors – local and from out of state – who have taken our program to National heights and at the same time are excited about five Edmond players joining our program this fall. Together with the returners, we feel they can help guide us to another exciting and amazing year. Your donations will help supplement our program's road to winning a MIAA Championship and competing in the NCAA Championship.

As the campus wide "Complete the Dream" project continues to take shape, there is a tremendous amount of excitement within UCO and our Athletic Department. It's a great time to be a Broncho student-athlete. I feel strongly our team is a great representation of UCO, our greater and wonderful Edmond community, and the greater Oklahoma area – volleyball and otherwise. The future of Broncho Volleyball is bright!

I look forward to seeing you again or meeting you at our golf tournament and we also hope to see you at some of our matches this fall. Thank you for being a part of our team! If I can be of assistance do not hesitate to contact me at any time.

*Sincerely,*

Edgar Miraku
