

***Dear Broncho Volleyball Family and Supporters,***

As the leader of Broncho Volleyball, I'm excited to invite you to the fourth annual UCO Volleyball Golf Fundraiser at Oak Tree Country Club in Edmond. I would like to thank all of you who have supported our program in years past. It allows us to compete at the Regional and National level. Our program had another successful season in 2017 and we were consistently ranked in the top 25 National poll. Our volleyball team could not have accomplished this without you. We have seven players make All Conference Teams this past season who provided excellent leadership and experience. With a strong recruiting class coming in, we look forward to another successful year. Your contributions will help supplement our program's road to winning an MIAA Championship and competing in the NCAA Championship. As "Complete the Dream" project is nearing its goal, there is a tremendous amount of excitement around UCO Athletics and the future of Broncho Volleyball is bright!

I look forward to seeing you again or meeting you at our golf tournament, and we also hope to see you at some of our matches this fall. Thank you for being a part of our team! If I can be of assistance, do not hesitate to contact me at any time.

*Sincerely,*

*Edgar Miraku*
