

## **CAP I/II Clinic**

We are excited to offer this great opportunity for our coaches to attend training and network with outstanding Cadre and other coaches. Additional information about CAP can be found here: <http://www.teamusa.org/usa-volleyball/education/coaching-education-programs>.

The cost to attend the training is \$350 for the two-day session. However, ORKVA is paying \$250/coach that is currently registered in the Oklahoma Region. This brings the cost down to \$100 per coach.

We encourage coaches to attend the CAP training. The link to register for the training is here: <http://www.teamusa.org/USA-Volleyball/Calendar/2016/December/03/CAP-I-and-II-Oklahoma-Region>.

Please contact the region office if you have any questions. Thanks.
