

Club Directors and Volleyball Coaches Players, Officials, and Parents:

The 2018 USAV HP Championships will be held in Tulsa, OK July 24-28. As in previous years, we need to hire line judges and libero trackers for the event. We will need ~70 line judges/libero trackers and will take them on a first-come, first-serve basis.

Note that all line judges need a USAV membership. We can take HS officials or other non-USAV members for this event and get them a one-event membership that we will provide. We will take junior athletes as young as 13, but will give preference to adults and older junior athletes through the June 28th deadline.

Basic Info

USA Volleyball Membership

-You need to be a member of USA Volleyball.

-If you are **NOT** a USA Volleyball member, but rather a high school athlete or high school official you can still work the event. You will fill out a one-event form to work this event AND, if you are 18 or older, take the online Safesport online class and have a Background Screening! More info to follow by July 1st for those who are not already USAV members!
