OFFICIATING

Congratulations to Archie Scott for obtaining his Junior National Referee rating!

Another successful season of officiating clinics is now over. If you attended a clinic and passed the test, be sure to get your ratings done to complete your certification! A list of certified raters is available on the OKRVA website under "Officiating."

REGISTRATION

This is the third year for online-only registration. The Region held a state-wide meeting in October to educate clubs on the registration process and to assist in troubleshooting issues. Over 20 clubs attended easing the process for both the clubs and the registrar!

Club Directors: Your first step in the registration process is the Club Application Form, located on the OKRVA website under "Forms," which is due every season.

Chaperones and Junior Players should contact their Club Director before attempting online registration. Adult players and officials must complete the online application individually. Please see the Registration page of the OKRVA website for more information.
