

Now on VolleyballRefTraining.com is a new multi-media module on uniform requirements for USAV events.

The presentation, built through collaboration with the USAV Officials Commission and regional leadership, provides the most current information and examples of pitfalls to avoid.

To view the material (less than 10 minutes long), go to <https://volleyballreftraining.com>. In addition, we have included an accompanying PDF download that can be provided to vendors/designers.

We strongly advise all teams and clubs that are looking to purchase uniforms for the 2017-18 season to consult this resource before finalizing designs. A wise investment of 10 minutes.

Please forward any rules questions to our referee/officials chair Margo Juergens, who will consult with the USAV Rules Interpreter as necessary.

Thanks and have a great rest of the summer,

Shawn McCarty
OKRVA Commissioner
