OK22_012 First Rating Submission

To complete your OK Junior R2 Badge, receive two R2 ratings by a certified Provisional, Regional, or National referee or approved rater during a sanctioned OKRVA tournament or during an OKRVA clinic/rating session. A ratings clinic may be for a set, match or as many as determined by the clinician in charge. A candidate can be rated at a tournament. The rater has the option to certify the player as an R2 after one match if he/she feels no remediation is necessary. The rater will be an adult certified as an R1, working the tournament. Two different certified R1 adults can complete the rating sheet for the player, but the player must provide the sheet to the R1 who is rating the player. Typically, any R1 officiating a match will fill out a rating sheet for a player providing the sheet. These ratings must be completed by Oklahoma Regionals 2022. Use this module to upload your first R2 Rating Sheet.
