

OKRVA Beach Regional Qualifier (BRQ) Event Requirement Guide (as of 5/26/2022, 2022 changes highlighted)

NOTICE: OKRVA has the right to adjust/change/update any content of this document at any time.

Beach Regional Qualifier events are solely run and operated by the Regional Volleyball Associations and all OKRVA registered beach clubs must comply with the parameters set forth by USAV and in the latest USA National Beach Tour Qualifier and Championship Manual.

The requirements and guidance within this document are intended to be a resource to those hosting and attending BRQs.

OVERVIEW:

The primary purpose of the BRQs is to select, through tournament competition, teams in various age divisions to compete at the National Beach Tour Junior Championships (NBTJC).

There are several secondary purposes for the BRQs, including:

- Provide a high level of competition for teams at different levels within each age division.
- Showcase junior talent for college recruiters and National Team programs.
- Promote the growth and development of volleyball in a geographic area.
- Provide a training ground for officials.

Up to the top three (3) finishing teams (1st, 2nd, 3rd) in the Gold playoff bracket per gender and age group will receive bids into the National Beach Tour Junior Championships (see additional bid distribution requirements in the section below “BRQ BID BREAKDOWN”).

- Girls will receive bids and bid certificates to the BRQ/American Division.
- Boys will receive bids and bid certificates to the BNQ/Open Division.

EVENT FORMAT:

Teams are comprised of two (2) male or two (2) female players. Coed teams are not allowed. The USA National Beach Ranking System will be used to seed teams in all BRQs.

All Gold playoff brackets are to have match play (2 games/sets to 21 points, tie breaker to 15pts) for final, semi-final and third place games, unless ALL players unanimously agree to set play. A team cannot be eliminated from Gold Bracket play due to a tie.

- If ALL players make the decision to do set play instead of full match play, set play must be no less than one set to 21 points/win by two points/no cap.

Pool play is to have a minimum of one (1) set to 21 points/win by two points. Pool play may be capped.

In efforts to increase BOYS participation: if there are two (2) or less boys teams per division, then the following adjustments in format are permitted:

1. Combine boys' division age groups (12U & 14U, 14U & 16U, 16U & 18U) to create a minimum of three (3) team pools.
2. Combine the boys teams with the girls teams in the age group deemed appropriate by the tournament director.
 - a. This will not prevent the girls teams from making the playoffs or affect their seeding out of pool. Boys teams will not advance to a bracket that will compete for eligible bids, but may be placed in a "non-bid" bracket.
3. The above mentioned are NOT rules but rather guidelines. If the host/director elects to follow these guidelines, they need to assess the ability of the boys to determine which girls age/division would be most appropriate for the boys to compete in.

Tournament Directors are allowed to adjust game play (for safety concerns) before either pool play or before bracket play begins. Once play has started either for pool play or bracket play, the game format cannot change. If needed, for weather or other factors, events may opt to adjust start waves at any time during the day. All events being played in the evening must ensure adequate lighting is provided.

The Event Host is responsible for determining exact start times and notifying participants of any weather-related delays.

BRACKETPAL:

BRQ event hosts shall utilize their own BracketPal account and are required to use BracketPal for registration and seeding, as well as creating pools and brackets. BRQ event hosts are also responsible for submitting results to the appropriate Zonal Representative for inclusion in the USAV Ranking System.

All BRQ events shall be seeded utilizing the USA National Beach Ranking System through SeedingPal/BracketPal. After players with seeding points in the system are seeded, players without points in the system should be seeded by random seeding (BracketPal includes this as an option).

TOURNAMENT DIRECTOR:

All BRQs must have a non-coaching Tournament Director facilitating the event. The Tournament Director may also be the Head Official (all Officials must be USAV Certified Officials).

HEAD OFFICIAL:

OKRVA prefers that all BRQ tournaments provide a Head Beach Certified Official for the event. The Head Certified Beach Official will ensure all teams are following the rules of play. It is recommended that the Head Beach Official also act as the first referee for the final championship matches of each Gold Division playoff bracket.

Tournament host are responsible for working out agreements/payments with Officials to cover their event(s). There are several certified Beach Officials in our region. These two Officials are available and provided as a starting point:

- OKC Area: Phil Ledbetter (pledbetter@orangeconnection.org)
- Tulsa Area: Toni Slagle (toni.slagle@gmail.com)

Tournament Host are not obligated to use Phil and/or Toni as their Officials. Phil and Toni will provide contact information for alternative Beach Officials as needed.

BRQ SCHEDULE:

BRQ Tournaments must be listed on the OKRVA Beach Schedule. Contact an OKRVA Beach Coordinator to list tournaments on the OKRVA Beach Schedule. OKRVA prefers BRQ Tournaments also be listed in the National Beach Tour Schedule, which will be done by the Region unless assigned back to the tournament director.

COURT REQUIREMENTS:

The Molten Elite Beach Volleyball BV5000 is the official beach volleyball of USAV and will be used at all BRQs. No BV5000 replica balls allowed. A minimum of two (2) balls must be provided per court.

1. The playing court is a rectangle measuring 52'6" x 26'3", surrounded by a free zone, which is a minimum of 5' wide on all sides.
2. Free space for courts that are side by side is 9' from playing line to playing line.
3. Free space for courts that are end to end is 9' from end line to end line.
4. The free playing space is the space above the playing area, which is free from all obstructions.
5. The free playing space shall measure a minimum of 23' in height from the playing surface.
6. 2" court lines
7. 2" net tape
8. 2 antennas
9. Pole pads for standards
10. Minimum of 10" of sand depth

Any facilities unable to provide the above must contact the OKRVA Region office for approval of any exceptions to these requirements.

AWARDS & BID CERTIFICATES:

Bid certificates must be given to both members of a team. You may contact the OKRVA Region office for assistance with obtaining the bid certificates.

Awards must also be given to both members of the top finishing teams in their respective age and gender division. The # of awards should be no less than the number of bids available at the event for the respective age and gender. The tournament host is responsible for providing the awards. The Bid certificates are not considered an award.

Results for BRQ events shall be submitted as designated on the USAV Ranking System website within 3-5 days of the event. Results for the Central Region must be submitted to Bertil Wamelink (bertil@hoavb.org) in the approved format - details can be found online with the USAV Junior National Beach Tour Manual.

BRQ BID BREAKDOWN:

- A Player is eligible to earn multiple bids in different age divisions but can accept only ONE (1) bid for each age division.
- Bids are individual and are awarded to each player on a team that earned them.
- Up to the top three (3) finishing teams (1st, 2nd, 3rd) in the Gold playoff bracket, per gender and age group, will receive bids to the USA National Beach Tour Junior Championships. Bids may trickle down to 5th place teams.

OKRVA will provide bid certificates to tournament host. The tournament host must award bids to participants as follows:

- Minimum of 11 teams for girls/9 teams for boys = top three (3) finishing teams (1st, 2nd, 3rd) in the Gold playoff bracket, per gender and age group, will receive bids to the USA National Beach Tour Junior Championships. Bids may trickle down to 5th place^ teams. Must have a 3rd place playoff match.

^Trickle down will go in order of initial seed at the beginning of the event. [Ex: Of the final four 5th place teams, the bid will first trickledown to the team that was seeded highest at the start of the event. If this team declines the bid, the offer would go to the next highest seeded team prior to the event and so on.]

- Minimum of 8 teams for girls/6 teams for boys = top two (2) finishing teams (1st, 2nd) in the Gold playoff bracket, per gender and age group, will receive bids to the USA National Beach Tour Junior Championships. Bids may trickle down to 3rd place, but must have a 3rd place match.
- Minimum of 5 teams for girls/3 teams for boys = top finishing team (1st place) in the Gold playoff bracket, per gender and age group, will receive bids to the USA National Beach Tour Junior Championships. Bid may trickle down to 2nd place team.

Bids trickledown only when a “Team”, not individual player of a team, either declines the bid or has already earned a bid. If one of the players of the team accepts the bid, the remaining individual bid does not trickle down. Bids may only trickle down for the current event taking place and may not be used at other BRQ events.

Any eligible players that do NOT earn a bid to USAV JBN, but are interested in participating, should contact the Region office for additional information.

FACILITY REQUIREMENTS:

1. Must provide adequate restrooms
2. Must provide water for competitors, official(s), and staff

Any facilities unable to provide the above must contact the OKRVA Region office for approval of any exceptions to these requirements.

DRESS CODE/ATTIRE:

Uniforms are not required. However, matching color bottoms and tops are encouraged. All athletes are REQUIRED to wear a top, for girls it must cover the entire midsection when standing, and bottoms such as spandex, shorts or leggings. No bikinis will be permitted for any team. Boys must wear tank tops or t-shirts that cover the entire midsection when standing and bottoms such as swim trunks, surf shorts, or volleyball shorts. No brief type swim trunks.

EVENT MEMBERSHIP REQUIREMENTS:

All adults (18 and above) contracted to be present during the event must be verified as having a current USAV membership, current SafeSport-Trained, and cleared USAV background check. This includes, but is not limited to, all event staff, medical personnel, photographers, officials, and arbiters.

All participants that are 18 years of age on the day of the event or turn 18 during the competition must complete the SafeSport Training course.

SAFETY STANDARDS FOR INCLEMENT WEATHER, ADDITIONAL INFORMATION:

Please refer to the latest USA National Beach Tour Qualifier and Championship Manual for safety standards for inclement weather, and for additional guidance.
